

DHEFI DWICAHYANI FIKRI, S.Psi

Industrial and Organizational Psychology Graduate | Human Resources | Recruitment | Psychological Testing
Padalarang, West Bandung | 0851-5631-3670 | dhefidwi3@gmail.com | LinkedIn: linkedin.com/in/dhefidwi

PROFESSIONAL PROFILE

Psychology graduate with a concentration in Industrial and Organizational Psychology and hands-on experience in recruitment, HR administration, payroll support, employee data management, psychological testing, and interview reporting. Experienced in screening more than 100 resumes, preparing employment contracts, compiling monthly timesheet and overtime data for 61 employees, and conducting candidate, employee, and community interviews. Organized, communicative, and comfortable using Microsoft Office and Google Workspace to support accurate documentation and people operations.

FREELANCE EXPERIENCE

Freelance Interviewer | **CURRENT / LATEST ROLE**

PT. Kharisma Sejahtera Lestari | Aug 2025 - Present

- Conduct structured field interviews with 25 Sindanglaut residents to collect community insights on environmental impacts surrounding the sugar factory.
- Convert physical interview records into organized Excel datasets, improving data documentation speed and work efficiency by approximately 60% through structured input and validation.
- Maintain accuracy, confidentiality, and consistency when handling respondent information and field notes.

INTERNSHIP EXPERIENCE

Human Resource Staff Intern

MagangHub - PT. Santai Berkualitas Syberindo | Oct 2025 - Apr 2026

- Supported end-to-end recruitment by screening 100+ candidate resumes for multiple positions and preparing candidate progress reports.
- Compiled monthly timesheet records and overtime cost data for 61 employees to support payroll and HR administration accuracy.
- Conducted experience interviews with 10 new employees and summarized insights for onboarding and employee experience improvement.
- Prepared and distributed 2026 employment contracts for 50 employees while ensuring document completeness and timely follow-up.
- Assisted in developing the HR Intervention System platform to improve HR workflow tracking and administrative productivity.

Human Capital Officer Intern

MSIB Batch 6 - PT. Combiphar | Feb 2024 - Jun 2024

- Organized and updated pharmaceutical company licensing documents to support compliance documentation and internal record control.
- Assisted the training digitization process by preparing and arranging training materials and employee learning documentation.
- Conducted initial interviews with potential employees and supported psychological testing activities for employees.
- Interviewed 6 outsourced employees for the Outsourced Performance Productivity project and contributed to employee performance insight collection.

Associate Psychological Tester Intern

Psychological Research & Development Center (PRDC UNJANI) | Feb 2024 - Aug 2024

- Completed training to become a certified psychological tester and supported online psychological assessment activities.
- Administered online psychological testing for 30-40 participants across several activities while maintaining standardized testing procedures.

ORGANIZATIONAL AND VOLUNTEER EXPERIENCE

Events Department

PPS KM Fakultas Psikologi UNJANI 2022 | Jun 2022 - Feb 2023

- Prepared terms of reference, rundown, requirements, and presentation materials for faculty psychology events.
- Developed psychology theory content for the PPS program and served as Master of Ceremony for PPS Stage 1.

Partnership Department Volunteer

Tripsy Media | Sept 2021 - Dec 2021

- Contributed to memorandum of understanding preparation, media partner research, and partnership communication.
- Served as liaison between Tripsy Media and external media partners to support collaboration activities.
